## FUEL UP TO PLAY 60

Students from Bernshausen, Krahn, and Wunderlich earned enough points through Fuel Up to Play 60 to receive tickets to the Texan's Football game October 2. These students had a great time as they participated in Kid's Day with the Texans.

Fuel Up to Play 60 is sponsored by the National Football League, and the National Dairy Council, in collaboration with the U.S.

Department of Agriculture. Through the program students are encouraged to choose more nutritious foods and to get at least 60 minutes of physical activity every day - and to get their friends and family to join them.
